

RLS 15kN Klauke Press Tool and Jaws

RLS 15kN Press Tool Benefits: Press up to 1-1/8"

- Durable, high-quality construction that is built to last
- Short pressing cycle – 10 seconds or less –increases productivity compact design and 350° jaw rotation allows technician to install in tight spaces
- Automatic piston return
- Safety feature that lets the press cycle be interrupted, allowing for manual release of the piston, if needed
- High-quality, powerful Makita Li-Ion technology, with charging time of just 15 minutes
- Tool service indicated via imbedded LEDs, illuminates at 10,000 cycles

RLS 15kN Press Tool Features:

Pressing Force: 15kN
Presses/charge: 100-150 (2.0 Ah)
Battery Capacity: 18V / 2.0 Ah Li-Ion Makita (BL 1820B)
Charging Time: 15 Minutes
Operating Temp. Range: -10°C to 40°C (14°F to 104°F)
Weight with Battery:
 Without Jaw: 1.8 kg (4.0 lb)
 Including Jaw: 3.1 kg (6.8 lb)
 Dimensions: 395 x 80 x 118 mm

The 15kN Press Tool and 3 Jaw Kit comes in a hard plastic carrying case and includes a tube cutter, deburring tool, press gauge, depth gauge, abrasive pad, permanent marker, and wire brush to clean the jaws. Jaw sizes include: 3/8", 3/4", 7/8". **Part number: 399011150301**

The 15kN Press Tool and 5 Jaw Kit comes in a hard plastic carrying case and includes a tube cutter, deburring tool, press gauge, depth gauge, abrasive pad, permanent marker, and wire brush to clean the jaws. Jaw sizes include: 3/8", 1/2", 5/8", 7/8", 1 1/8". **Part number: 399011150501**

The 15kN Press Tool and 5 Jaw Kit -1 comes in a hard plastic carrying case and includes a tube cutter, deburring tool, press gauge, depth gauge, abrasive pad, permanent marker, and wire brush to clean the jaws. Jaw sizes include: 1/4", 3/8", 5/8", 3/4", 7/8". **Part number: 399011150503**

The 15kN Press Tool comes in a hard plastic carrying case and includes a tube cutter, deburring tool, press gauge, depth gauge, abrasive pad, permanent marker, and stainless steel brush to clean the jaws. **Part number: 399011150001**

The 15kN 8 Jaw Kit comes in a hard plastic carrying case and includes a tube cutter, deburring tool, press gauge, depth gauge, abrasive pad, permanent marker, and wire brush to clean the jaws. Jaw sizes include: 1/4", 5/16", 3/8", 1/2", 5/8", 3/4", 7/8", 1-1/8". **Part number: 399031150801**

Accessory Kit:

- Tubing cutter
- RLS Depth Gauge
- RLS Press Gauge
- Permanent Marker
- Wire Brush (for jaw cleaning)
- Abrasive Pad
- Deburring Tool

Part Number: 399040102

RLS by Klauke 15kN Jaws are compatible with RIDGID RP 115 Mini Press Tool.

Individual Jaws

1/4" 15kN Jaw PN: 399021151040	5/16" 15kN Jaw PN: 399021151050	3/8" 15kN Jaw PN: 399021151060	1/2" 15kN Jaw PN: 399021151080
5/8" 15kN Jaw PN: 399021151100	3/4" 15kN Jaw PN: 399021151120	7/8" 15kN Jaw PN: 399021151140	1-1/8" 15kN Jaw PN: 399021151180

A Pivot in Press

NEW! Press Ring Kits

Powered by REMS

Press More of the Job.

Designed for both compact (24kN) and standard (32kN) press tools, this system supports tight-clearance pressing using your existing tools. The press rings remain the same, with dedicated actuators for each platform.

✓ Streamlined pressing in overhead or awkward positions

✓ Improved reach where standard jaws are limited

✓ Expanded access in tight or confined spaces

Press Ring Kits

Each kit includes: adapter actuators, tube cutter, deburring tool, abrasive pad, press gauge, depth gauge

RLS/REMS 32 kN - 6 Ring Kit #399033320601
